

The Sundrop Kids: Crystal

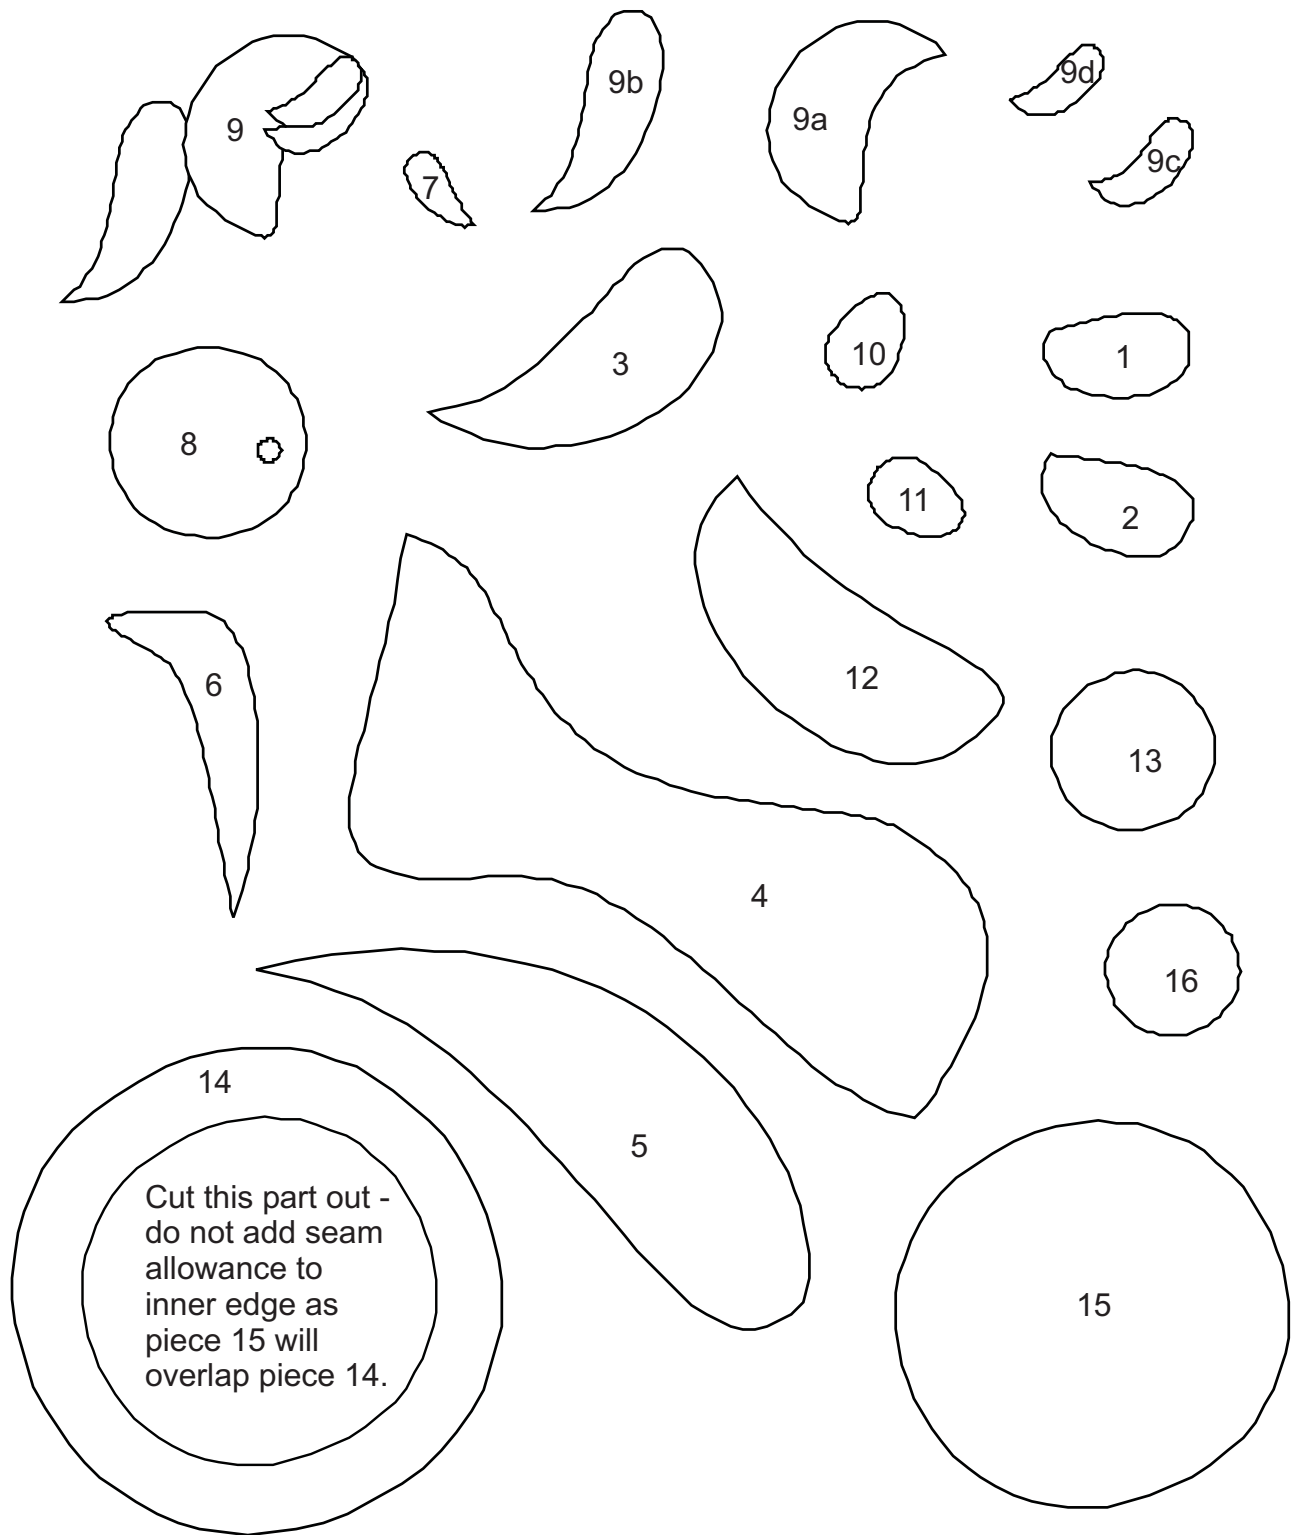

The size printed here will fit on a 6-inch block or larger. Remember to add 1/4-inch seam allowance if turning edges under. Applique pieces in numerical order starting with #1. Two options are included for the hair: a simple 2-piece pattern and the more complex 5-piece pattern - applique these in alphabetical order. Very tiny pieces, such as the eye, can be embroidered or painted.

Adaptations for Chris are included on page 3.

Alternative method for tire: Pieces 14 & 15 can be applied in reverse order, placing 14 on top of 15. In this case you would add seam allowance to inner and outer edges of piece 14 if turning edges under.

The Sundrop Kids: Adaptations for Chris

To change Crystal to a boy, you will need to change the hairstyle, use the narrower sleeves shown here, and use overalls instead of the jumper - all other pattern pieces are the same.
