

## Sunny, the Sundrop Kitten

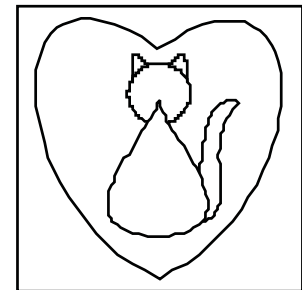

Applique pattern for 6-inch block or larger

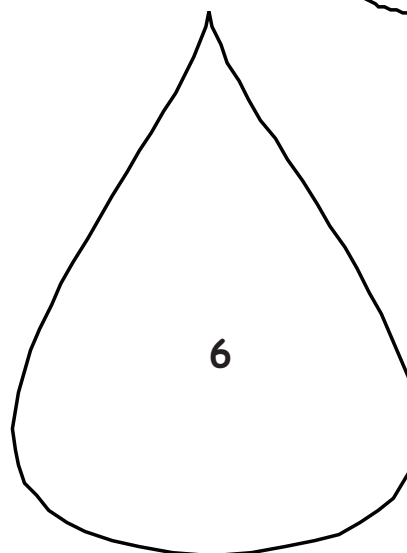

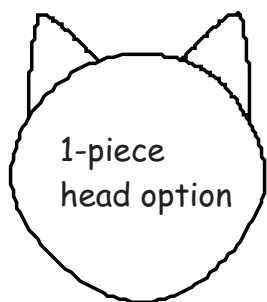

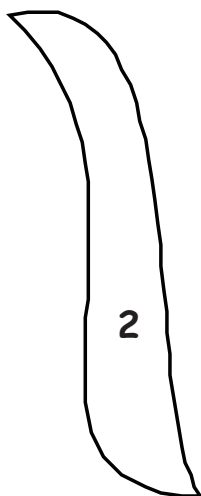

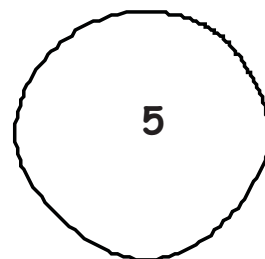

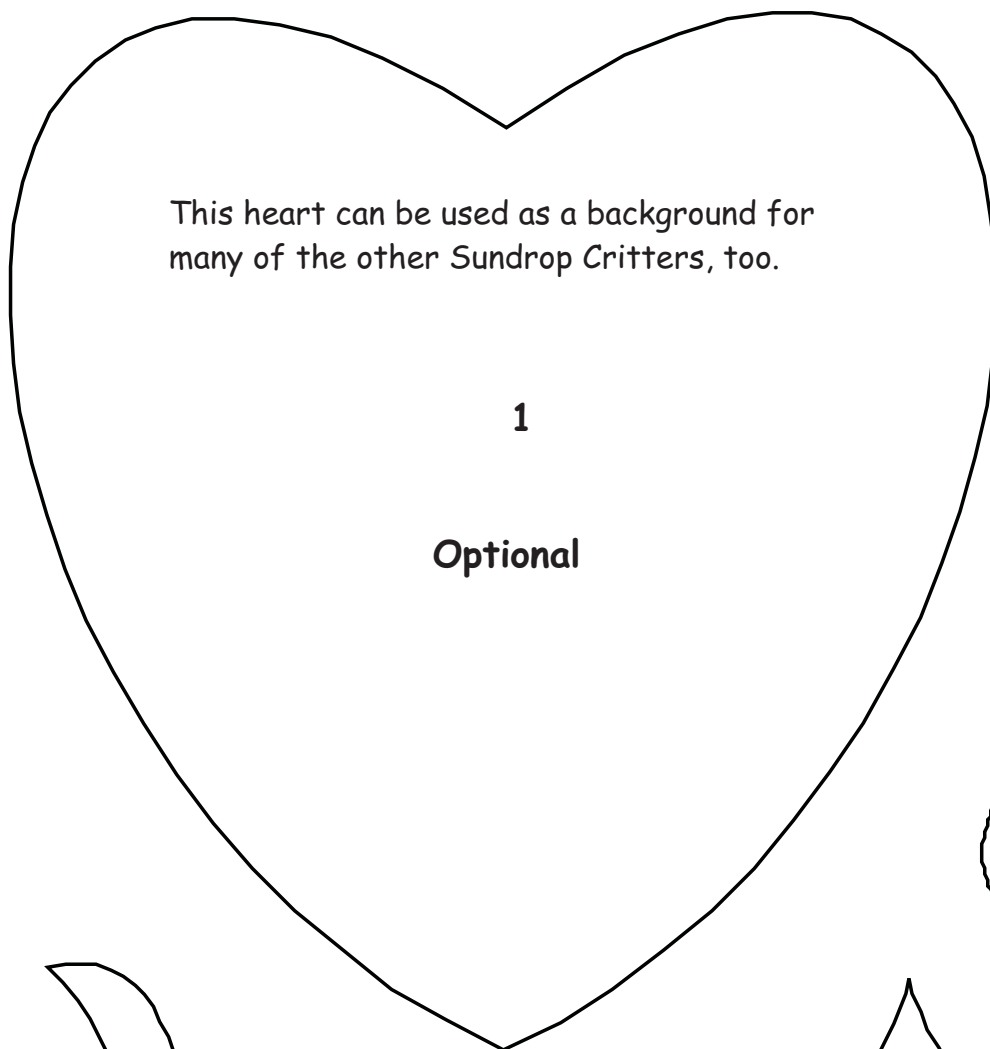

Seam allowance not included on template patterns - add  $\frac{1}{4}$  inch if using an applique technique that requires turning edges under.

The numbering sequence shown is only one of the many ways to use this pattern. Ears can be placed on top of the head, head can be placed on top of the body, and tail can be flipped and/or rotated to look like it's resting on the ground.
